

Cadet Training Program 2024-2025

Thank you for your interest in the Texas Elite Cadet training program! We are an established, successful All-Star cheer and tumbling program that has earned many championship titles including multiple NCA, ACA, Summit, and All-Star Worlds Championship! However, it's not all about the win – it's our small gym culture & large gym results that set us apart!

We have program facilities in both Pilot Point & Howe Texas, and are proud to provide a talented group of cheer professionals as staff that have experienced success at every level of competitive cheerleading!

The Texas Elite Cadet program is specially designed to expose your athlete to the sport and to prepare your athlete for future cheer experiences. This team is ideal for athletes who are new to, or interested in, cheerleading with less time and financial commitment. No tumbling skills or previous experience is required. Commitment includes 1 practice per week, 1 hour in length, and 1 end-of-session performance.

Texas Elite Cadet Program

The Cadet program will run in sessions every two months and is available for athletes ages 4-11. This program is the perfect way for your athlete to get a taste of what All Star Cheerleading is all about at Texas Elite in a fun, stress-free, lower commitment environment. Athletes will learn and perform a 1-minute routine catered to their team in each session. Routines will consist of jumps, stunts, tumbling, and a dance. Sessions are typically 8 weeks long depending on how the dates fall as well as our normal closings for holidays, breaks, etc.
