Studio Policies

These policies are to help with the safety of students, help the studio function in an efficient manner, and, above all, provide students with an unparalleled dance experience.

Parents, please review the policies with your child. This document outlines requirements each student will be held to during their entire duration of dancing with Captivating Dance by Nona.

Registration/Enrollment for studio classes

All parents or legal guardians of students and students 18 years or over must sign electronically the liability waiver, and acknowledge understanding of this document before the student is allowed to participate in class. Every fall, all families will be asked to electronically sign a new waiver.

There is a non-refundable, \$50.00 registration fee due at the time of enrollment fall. Credit card on file will be charged in addition to your first month tuition.

We do not require prerequisite classes to take dance. If you are not sure which level is appropriate for your child please contact us.

Please notify us as soon as possible with any changed information to your enrollment (contact information [phone, email], emergency information, medical status, etc.) Our main form of communication is our monthly newsletter that will be emailed monthly. Contact us if you would like to add another email address for correspondence.

Tuition

If you would like to try an OPEN class before enrolling, you may do so at \$25 per class. You will still be required to sign enrollment and liability electronic waiver before you can participate. Drop-in classes must be paid before participating in the class.

Tuition is non-refundable. Monthly tuition is due on the 1st day of every month. It is considered late if not paid by the 5th day of the month. There will be a \$20 late fee applied to your account on the 11th day of the month. No exceptions. Tuition is non-refundable.

You are responsible for all monthly tuition for each month from August – May, unless you have given us a **30-day written email notice to withdraw from class(s)**.

Full monthly tuition is due regardless of any missed classes. Monthly tuition rates remain the same whether it is a long month or short month.

Our studio classes culminate in an end of the year dance recital in late May. There are no OPEN studio classes following the May recital. We do not accept new students after February, as students will be taught the dance routines for the recital in the months of Feb-May.

Tuition will be charged to the credit card on file. There is a \$30 fee for returned checks or declined credit card transactions due to the bank fees incurred by Captivating Dance by Nona and accounting staff. There will not be a statement or bill given to you monthly for tuition unless your account is past due or we have received a non-sufficient payment. Student accounts need to be current in order for student to participate.

CDBN has the right to charge any credit cards signed up for auto payment or card left for delinquent accounts. All payments are final and non refundable.

Recital Fee will be added to all accounts in 2 payments. \$40 in November and \$40 in January. Exact dates will be posted in November newsletter. Registration that begins after November will be charged the full \$80 in January or upon registration in the following months.

Attendance/Drop Off & Pick-Up Policy

Attendance is taken at each class. Good attendance is imperative, as absences and tardiness can hold back an entire class. The studio can't jeopardize its responsibilities to the rest of the class for one student.

If you miss a class you will not receive a credit or refund, however, as a courtesy, you will be able to makeup the missed class within 2 weeks of the missed class(s). You must contact the studio to arrange a make-up class.

If a student must miss a class or will be late for any reason, the student (or parent) must communicate this to the appropriate instructor before the scheduled class begins.

If we need to cancel class for any reason, we will reschedule the cancelled class within 30 days of the cancelled class.

If within the first 15 minutes of any given class, no students (non-CDBN competition dancers) arrive, the instructor has the right to cancel the class for OPEN students.

Please be prompt in dropping off and picking up your student. Students must be no later than 5 minutes to class or they may not be granted permission to attend that class. Students must be picked up no later that 10 minutes after class. Please notify the studio if you cannot get your student to or from class on time. This applies to rehearsals and performances.

Termination of or Withdrawal from Class(s)

If you drop or withdraw from a class for any reason, a full month's notice must be given to the studio (in writing or by email). If you choose to withdraw from any class in the middle of the month, you will still be charged for the entire month. A full month's notice will apply to the next month and you will be responsible for the total for that month.

Students who withdraw from classes will not receive a refund on classes, production fees and costumes. Students who are dropped from class by studio due to failure of payment will not receive a refund on production fees and costumes.

Low enrollment classes may be cancelled or combined with another class at the discretion of the studio. Captivating Dance reserves the right to refuse service and terminate enrollment.

Dress Code/ Costume Policy

Students must dress accordingly to each class. Please no baggy clothes, zippers, or buckles. Proper shoes need to be worn. Hair must be pulled back from face and off neck. No jewelry of any kind should be worn to and in class. Student may not be able to participate if not in required dancewear. Repeated failure to wear required dancewear could result in termination of student's enrollment. Students should wear proper cover-ups to and from class.

Costumes are not included in tuition. They will range from \$55-\$75 per costume per class. If fees are not paid on time, we cannot promise that the student will get their costume(s) in time before planned show or event. Additional fees to costume manufacturer due to late payments will be passed on to student and is the student's/parent's responsibility. Full costumes must be worn to all dress rehearsals unless specified by instructor.

Social Media

Today, social networking is such a huge part of our lives, for both adults and children. CDBN wants to do whatever it can to keep our dancers safe, including from actions resulting from the use of social media. Please follow our simple guideline:

Any pictures taken at the CDBN dance studios and/or CDBN attended events can only be posted if you have explicit permission from CDBN faculty, the dancer and/or their parents (especially of our younger dancers) to post on other sites.

Dancers must remember that families have different rules for internet/social networking usage. Many parents do NOT want their children's pictures or statements/tags referencing their child on the Internet. Please be mindful and respectful of other people's privacy.

In addition, remember that you represent CDBN and its reputation, especially when at the studio, competitions, conventions, or anytime you are wearing CDBN dance attire. To that end, be mindful of your conduct.

CDBN retains the right to use photos and or video in any way they see fit without compensation. The views of Captivating Dance by Nona may not be the views of all affiliated sponsors. If your child is under the age of 18 you will need to explain this release to your child.

General Policies

Parents are responsible for monitoring siblings not in lessons. If a student has time between classes and is not being picked up or with a parent during that time, they must wait quietly. They may do homework or watch class, but are not to disrupt class or leave studio without signed waiver by parent or legal guardian.

No Food or Drink is allowed inside studio, except water. No gum chewing is allowed. Cell phones need to be silenced in the studio. No talking on cell phones in studio unless permission is given from instructor. Classes are closed to onlookers. If you would like to view a class, classes will be open for viewing during the last week of each month.

It is the parent's responsibility to make sure their student has proper attire and bottle of water for every class.

Captivating Dance by Nona is not responsible for any lost, stolen, or damaged personal property. PLEASE LABEL all your dancer's belongings: Shoes, dance attire, outerwear, water bottles, etc. Proper language and good behavior are required at all times by students, family members, instructors, and staff members. If a student is disruptive or disrespectful their parent or guardian will be contacted and asked to have them pick their dancer up from the studio.

If improper language or improper behavior (disrespecting peers, property, instructors, staff members, gossip, talking in class, etc.) is considered to be a problem according to the instructor, the student's enrollment may be terminated. Termination of student's enrollment is at the owner's discretion and prior notice is not required.

A student's enrollment may be terminated if they or one of their family members refuses to cooperate with the guidelines set forth by Captivating Dance by Nona or if a student or one of their family member creates a negative scene for our students, instructors, staff, and/or other family members.

Students will be placed in class according to their age and ability. There may be class changes as the season progresses. These alterations are for the benefit of the student, so they can get the most out of their training.

Any choreography learned by a student is sole property of the studio. Permission must be granted by the studio for a student to use studio choreography at any venue where the member is not with the studio or acting on behalf of the studio.
