

TWIST & SHOUT
2024 TRYOUT INFORMATION
Edmond

OUR COMMITMENT TO YOU

We are honored you have chosen our program to be a part of your child's life, and we take it seriously. Twist & Shout is dedicated to building a lifetime of self-esteem, confidence, and integrity in all our athletes. We promote and encourage an atmosphere of dedication, development, competition, and sportsmanship. We strive for each athlete to excel and have a positive and rewarding experience from his/her years as part of our Shouter family. Our USASF and CPR certified staff hopes to combine their expertise of cheer with their love of coaching to bring out the champion in your athlete—from the inside out!

YOUR COMMITMENT TO T&S

We are humbled to be the top ranked cheerleading program in Oklahoma and amongst the top in the nation. We know this is primarily due to the unbelievable commitment given by our current and former team members, their families, and our coaching staff. Although being a part of our Shouter family is an exciting and fun time for everyone, we realize it is also a huge commitment for your athlete and your family. In order to continue the success of our program and growth of your athlete, a high level of commitment is needed.

PRACTICES & ATTENDANCE

We push our athletes to be the very best they can be, and with that comes commitment to their team and themselves! Teams have set weekly practices along with additional tumbling, flyer, and stunt classes throughout the season (when applicable). Extra practices will be added based on need within the competition season, and are typically scheduled 2-4 weeks in advance. Athletes are expected to attend all practices.

TEAM PLACEMENTS

The Twist & Shout staff will evaluate athletes on skills they have already developed, as well as their potential. They will be placed on the team we feel is the best for them, and that is best for the program. Teams are selected based on the best chance of being successful, and athletes are placed in an effort to benefit their personal and athletic growth.

2024 TRYOUT INFORMATION
